

Work Experience

Student worksheet

Checklist to prepare for work experience

Use this checklist to help you get ready for your work experience.
Ask your transition planning team to help you with these tasks.
Space is provided for you to add more items as you think of them.

<input checked="" type="checkbox"/>	Tick the box next to the statement when you can answer YES
	I know where my work experience is
	I know the start date of my work experience
	I know how I am going to get to my work experience
	I know what time to arrive on my first day of work experience
	I know what to wear to my work experience
	I know who my key contact person is for my work experience
	I know where to buy or store my lunch at my work experience
	I know who to speak to if I have a problem on my work experience
