## Glossary

### Words and terms that appear in this practice

Join each word to its meaning:

transition

– the place *where* you do your job

workplace

– go to work as part of a university or college course

internship

– training or a tour so you get to know:  
• the workplace  
• types of jobs you will do

work experience

– moving from school to work, or  
– moving from school to further study

orientation

– you go to a workplace and learn about a job  
• it is short term  
• it is unpaid

See the next page to check if you are right

## Tick the words that you got right

- transition** – moving from school to work, or  
– moving from school to further study

- work experience** – you go to a workplace and learn about a job
- it is short term
  - it is unpaid
- internship** – work experience that's part of a university or college course
- orientation** – training or a tour so you get to know:
- the workplace
  - types of jobs you will do

 Write the missing word

One my first day of work experience I was given an \_\_\_\_\_.

I want to get an \_\_\_\_\_ at a florist while I go to TAFE.

I am doing \_\_\_\_\_ at the vet for two weeks.

I hope my \_\_\_\_\_ from school to TAFE goes well.

When I have a job, I can catch the bus to my \_\_\_\_\_.

# Work experience Glossary
