

Teacher notes: Cloze activity

Study and work-related topics

myWAY Employability contains articles on a range of study and work-related topics.

The **cloze activity** aims to promote student engagement with the articles on work experience:

- Preparing for work experience and internships ([click here](#))
- Undertaking work experience and internships ([click here](#))

Differentiation

The cloze activity has been differentiated to accommodate different levels of literacy:

1 Hand = little or no differentiation

2 Hand = some differentiation

3 Hand = greatest amount of differentiation

Steps

- Step 1.** Read the articles yourself to enable you to assist students. You may choose to read these to the students.
- Step 2.** Decide which level of differentiation to provide to students.
- Step 3.** Decide if students will undertake the activity in pairs or individually.
