## Lesson objectives

Students will explore a range of careers as well as the reasons people work.

Students will create a login to the *myWAY Employability* website.

Students will be guided to look at the homepage and the introduction video to *myWAY Employability* as a way to introduce them to the website.

### Adjustments for students with diverse abilities

Some students may take longer than the expected duration to complete the *myWAY Employability* quizzes or may have difficulty reading or understanding the task. In these cases, it would be appropriate to have a peer mentor or additional adult to assist students with the task.

The *Career chart* task has been differentiated to meet the needs of students at three levels of literacy.
