Role playing

Choose one of the following situations to role-play.

If you prefer you can choose another situation.

SITUATION 1: You are a work experience student and you are running late for your work experience.

SITUATION 2: You are a work experience student and you are getting feedback on how you are going on work experience from your workplace key contact person.

SITUATION 3: You don't understand something that you are supposed to do on your work experience. You are asking your workplace buddy for assistance.
