Robotics social club	Student reflection sheet
Teamwork skill	**Work collaboratively**
Learning intention	To be able to work together as a team to achieve a goal

	Success criteria	Needs improvement	Fairly good	Good	Great	Fantastic	Comment *How did I demonstrate this?* *What do I need to keep working on?*
1	I have a role in my team, and my teammates know what my role is, e.g. builder, programmer, finder, tester.						
2	I swap roles with my teammates if they would like a turn.						
3	I ask my teammates, other students, and teachers for help when I need it, e.g. *'I can't work this out, can you please help me?'*						
4	I ask others if they would like help, e.g. *'That part was tricky, would you like me to show you what I did?'*						
5	I give compliments and encouragement to others, e.g. *'That's an awesome idea!'* *'Never mind, we can try again.'*
